

DIRECT ACCESS FEES

Family

Our fees at Fenners Chambers are flexible and transparent. The fees we quote/you pay depends on the seniority of barrister for your case and what your needs are. All fees quoted are subject to VAT (where applicable) and this will be clearly shown in the client care letter. Fees must be agreed and paid prior to a Direct Access Barrister undertaking any work.

Please note that prices depend on a variety of factors including the type/length of hearing, the type of work and also the amount of paperwork involved.
